

# COVID-19 CRISIS VOLUNTEERS NEEDED

Volunteers are needed to help pack bags for distribution to community members on the following dates and times:

Mondays – 3:00 p.m. until 6:00/6:30 p.m.

Fridays – 2:00 p.m. until 5:30/6:00 p.m.

Volunteer Parameters:

- 1.) Volunteer need to consider the CDC guidelines for age (those older, especially over the age of 60) and pre-existing conditions.
- 2.) Minimum age to volunteer is 18.
- 3.) Volunteers should be self-isolating during this time. We recognize the need to go to the grocery store, etc. but we prefer to have volunteers with limited exposure to others in our efforts to protect other volunteers and clients.
- 4.) Volunteers will be required to follow the CDC safety recommendations – 20 second hand washing, keeping social distance, etc.
- 5.) All volunteers who agree to help during the COVID-19 outbreak will be required to sign a liability release agreement.
